- Javascript and JS frameworks
- Relational and NoSQL database management
- Attention to detail
- Problem-solving
- Client-focused development
- Quality control

Education

Full Stack Web Development

Careerfoundry | March 2023 - March 2024

Hands-on training program for learning HTML/CSS, JavaScript, Python, databases, as well as libraries and frameworks.

High School

Oak Ridge High School, El Dorado Hills
| August 2016 - May 2019

Entry-level full-stack web developer with experience in customer service and management. Wrote schedules, assigned roles, production forecasting, and tracked sales trends. Excels in problem-solving, pattern recognition, adaptability, and resource management.

Projects

Transparent Storefront

eCommerce template | January 2024

- Created a NoSQL database for different products and details.
- Made an organized REST API with Node.js and Express.
- Tested different endpoints locally and with Postman.
- Created easy-to-understand documentation and deployed the API to Heroku.
- Made an interactive Angular frontend to display API data.
- Organized functions, styles, and documentation to make the app easy to understand and modify by users.

[Link to more details](#)

Recipe App

Django project | February 2024

- Created a Django app with a SQLite database for storing recipes.
- Created models for recipes and users.
- Made HTML templates to display recipes and their details.
- Used QuerySet to search for different recipes and ingredients and to return a list of recipes containing a searched ingredient.
- Used data visualization to show the popularity and usage of certain ingredients.

Professional Experience

Crew

Chipotle | August 2023

- Demonstrated ability to work effectively in a team environment to ensure smooth operations.
- Maintained accuracy and throughput even during busy or understaffed hours.
- Communicated effectively with team members and supervisors to ensure smooth operations and timely completion of tasks.
- Successfully executed daily tasks such as restocking supplies, cleaning work areas, and ensuring equipment is properly maintained.

Bakery Manager

Safeway | August 2022 - February 2023

- Demonstrated exceptional budgeting skills, consistently meeting and exceeding revenue targets while controlling costs and maximizing profitability.
- Maintained inventory levels and monitored quality control standards, resulting in a reduction of waste and improved product consistency.
- Managed bakery operation, including staff scheduling, inventory management, and quality control.

- Oversaw a team of decorators and bakers, providing training, guidance, and feedback to ensure consistent quality and performance.

Bakery

Safeway | August 2021 - August 2022

- Demonstrated expertise in producing a variety of baked goods, including bread, pastries, and cakes, with a focus on quality and consistency.
- Proven ability to operate and maintain bakery equipment, such as mixers, ovens, and proofing machines, to optimize efficiency and output.
- Skilled in following recipes accurately, ensuring all products meet established standards for taste, appearance, and texture.

Starbucks Barista

Safeway | January 2021 - December 2021

- Demonstrated exceptional customer service skills by greeting and assisting customers, taking accurate orders, and providing product recommendations.
- Maintained cleanliness and organization of the work area, including restocking supplies and cleaning equipment according to Starbucks and Eco standards.
- Collaborated with team members to ensure efficient operations, such as brewing coffee, operating the espresso machine, and handling cash transactions.
- Upheld Starbucks policies and procedures, including following recipes, monitoring product quality, and upholding food safety standards to provide a positive customer experience.

Carhop

Sonic | August 2020 - December 2020

- Collaborated with coworkers to ensure that orders are delivered at a fast pace.
- Handled cash transactions accurately and efficiently, including processing payments and returning correct change to customers.
- Provided exceptional customer service by delivering food orders promptly and accurately to vehicles in a fast-paced drive-in restaurant environment.
- Demonstrated strong multitasking skills by balancing multiple food orders and prioritizing tasks to meet customer needs efficiently.

Crew

McDonald's | October 2018 - May 2019

- Actively participated in daily preparation and serving of food items in a fast-paced restaurant environment.
- Demonstrated ability to multitask and prioritize tasks while working under pressure to meet customer demands.
